**HELLO ALL:**

Thank you for the overwhelming support of **THE BATTLE OF THE FOOD TRUCKS and MUSIC FEST** thus far! This WILL STILL be one of the most AMAZING festivals to hit the MIDSOUTH!

Unfortunately, due to the rising number in **Delta Variant COVID cases**, we were advised to **POSTPONE** the festival to a later date. My staff and I discussed every possible scenario we could to make it work, however at the end of the day, this festival is 100% about us serving the community. This ongoing COVID surge is causing a hindrance for us to serve you to the fullest capacity, so we are just going to wait for the right time.

We all know and realize we're living in a different season and time where we MUST look out for one another. We felt that for the time being, it would be irresponsible for US to move forward with our festival that was on track towards causing thousands to gather during an active COVID surge. Postponing the festival is NOT the decision we expected to make. However, considering all of YOU and our community above ourselves, it was the RIGHT decision for us to make! We've spoken with ALL the food trucks, vendors, artists and participants, they all understood, agreed and are just as EXCITED about us rescheduling it! We hope and pray we've earned your faith in our brand enough for you to be a part when we officially launch **THE BATTLE OF THE FOOD TRUCKS AND MUSIC FEST!** We appreciate you and we look forward to staying connected with you and remember **THIS is NOT GOODBYE** to the festival, **THIS announcement is, WE WILL SEE YOU LATER!**

Sincerely,

Jason Clark
